

Ending TB in the Last Frontier

Treat TB Infection & Prevent TB Disease

Join us for a free half-day training
Saturday, November 10, 2018
Anchorage, Alaska

Training Description

A half-day training for physicians, nurses, and healthcare workers on recent advances in diagnosis and treatment of TB infection to prevent TB disease. This training is offered by the Curry International Tuberculosis Center and has been planned in collaboration with the State of Alaska Department of Health and Social Services, the Anchorage Department of Health and Human Services, and the Anchorage Neighborhood Health Center. Online viewing will be available.

Topics Include:

- Identification of high-risk populations for targeted TB screenings
- Interpretation and use of IGRAs for diagnostic testing
- LTBI treatment options, including shorter course use of rifampin and 3HP

Continuing Education Credits

The Curry International Tuberculosis Center (CITC) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This training is approved for up to 4.0 continuing education hours.

CITC designates this educational activity for a maximum of 4.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CITC is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This training is approved for up to 4.0 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training, or leave the training early. Therefore, partial credit will not be awarded.
